We'll Catch Ya'll Later... We Out!!!

Class of
2006 - 2007

In the words of an anonymous author:

"It is time and this is my simple message for you today. If there's something special you want to do, now is that time if you want to make a difference in the world, now is that time! Don't be fooled into thinking you should wait until you are older or wiser or more secure-because it doesnt work that way."

Now in my words: This is our starting point for the rest of our lives. We've already made it to the tracks, now let's get to the finish line!

*Congratulations

Eatin Good in the Neighborhood!!!

Feed Me Seymour...Uhhh I mean Bedell and Checkers...Well Where Ever!

As College Students, one of the main things we like, ...scratch that, LOVE to do is GET OUR EAT ON!!!

Thanks to the new hours at Bedell Hall, we can eat earlier or later, if we choose!!! And now with a fast food place on campus, CHECKERS, the energy used to go across town to Mickey D's or Burger King can be used to walk right across campus.

Of course with the kitchen set up available in Viking Village, having a feast with your friends only requires grocery money!!!

There are the special events like tailgating, banquets, meetings where food is provided by Alumni or friends of the University!!!

If all else fails, you still have McDonald's, Burger King, Wendy's, Hardees, Dairy Queen, Sonic, Taco Bell, whew let me take a breather.... Pizza Hut, 3 Amigos, Golden Corral, Prime Sirlon, Jacoli's Soul Food, Applebee's, and Campus Favorite Ruyb Tuesdays!!!

One thing parents of ECSU Students will never have to worry about their children STRAVING!!!

GET YOUR EAT ON VIKINGS!!

Viking Living.....

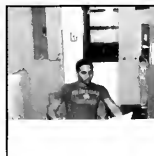

One of the first questions you ask a student is where "Where Do You Stay?"

Well no matter whether you stay in the newly built University Suites, campus favorite, apartment styled Viking Village, the Complex, recently remodeled Mitchell-Lewis (a.k.a. The Lew) or Womack (a.k.a. The Mack), another fav among students Butler Hall, Bias or the Tower (b.k.a. New Res, upper classmen will remember that!), or even off campus (Herrington Village, Southgate, Summerfield, Hollowell Drive, etc!! We eat, chill out with our friends and "boo's, sleep, play XBOX and PS2, party, and of course STUDY!!! We all have to have a place to call our own, even if its only for one semester!

Living on campus or at least being away from home (out of Mama and Daddy's House, that is) is an experience like no other!!

Are you guys really studying?? Hmm... I wonder.

New Student Center

Since its opening in the Fall of 2005 and officially in Spring of 2006, the New Student Center has served many, many purposes on this campus.

From housing the Student Activities and SGA Complex upstairs, to movies showings and presentations given in the theater, to Grown & Sexy Nights in the multi-purpose room, to the Bookstore selling lab and other textbooks and ECSU paraphenalia, to Step Show and Fashion Show Practices, to the long lines to get that refund check, to somewhere for piano players (and quite a few wannabes) to showcase their talent, to a place to check facebook.com and myspace, to meetings, banquets, and a place to feed your face.

The uses of the facility and the number of feet crossing its threshold each day is endless.

*It is apparent the New Student Center in the Ridley Student Complex will be a place for students to study, watch BET, hang out, just chill, meet, greet and eat for many
VIKING YEARS TO COME!!*

WILDIN' OUT...

Of Course we "Ballin", cause EC will "Upgrade U", but don't get it twisted; When they say "Show Me What You Got" we'll "Walk It Out" on ya, or even do the "Heisman on that...", cause if nothing else, The way we WILD OUT is "Irreplaceable" !!!

From enjoying the games, chillin' in the office, gettin wet and wild at the foam party, doin' the "Heisman", havin' a bad hair day, layin out on the bench or even flippin on the couch (?), we know how to have fun!

Nick Cannon has a show on MTV called "Wildin' Out".

No Offense Nick, but uhh... (excuse The E. City Grammar)

HE AINT GOT NOTHIN ON ECSU's WILDIN OUT!!

Coming to you live From ECSU at least 2 or 3 times a day. From some part of campus or where ever VIKINGS are!

We all love the say 'Go Hard or Go Home!' and when it comes to Wildin Out, whether you givin it to somebody verbally For rubbing you the wrong way, or physically on the dance floor, or vocally on stage (Shout out to all the singers and rappers on the yard), or just acting a pure fool (like we did at CI in Charlotte) just for fun.

ViKings, ya'll already Know!

What is an Alpha Kappa Alpha Woman?

Alpha Kappa Alpha Mystique

Beauty unparalleled, grace undefined,

An Alpha Kappa Alpha Woman is one of a kind.

She walks in a room with her head held high,
Acknowledgement of her presences is an awe-filled
gaze, or admiring sigh.

The Alpha Kappa Alpha Woman is regal and
profound.

She is the essence of feminism and these qualities
abound.

The Alpha Kappa Alpha Woman is honorable and
oh so unique.

All of these qualities culminated,
Created the Alpha Kappa Alpha Mystique.

The Heart of A Sigma Man

The heart of a Sigma is cunning, bold, loving, and true.
Not red, pink, or green but the extravagant ROYAL BLUE.
It's as beautiful as the sky on a clear summer night.
The crescent moon and stars; the coalition of BLUE and
WHITE.

The heart of Sigma is challenged daily and is often
misunderstood.
But still won't be denied the title of the Epitome of Finer
Womenhood.

Our bond is inexplicable, there is none greater.
The heart of a Sigma is none other than a ZETA.

An Ideal Sigma

A young lady who has a lot to offer,
No vulgarity or boastfulness is a part of her.
And who is willing to lend a hand
For Sigma, she'll always stand.
Sympathy is a part of her for the poor.
Never a stray she turns from her door.
To her, the love of God is a must
And in all she places her trust.
Sigma's Hymn she will sing with all her might
So that from its radiance others will see the light.
The pin, she will wear with a great deal of respect
But she's a Sigma-what can we expect?

Cyberinfrastructure for Remote Sensing of Ice Sheets

NSF • CReSIS • ECSU • MSI-CI² • ADMI

Gogineni of The University of Kansas, and The University of Indiana led by Dr. Geoffrey Fox have taken several steps to develop a Polar Science computer networking GRID. The challenges that will advance Cyberinfrastructure research and several others proposed will bring ECSU to a strong leadership position in development of Cyberinfrastructure for an internationally critical science project.

Dr. Willie Gilchrist, Chancellor, ECSU, opened the meeting with a greeting to guests and a welcome from the University. The Lectures Series was followed by a meeting of the Northeastern North Carolina Chapter of the IEEE Geoscience and Remote Sensing Society (GRSS).

2006 Fall Distinguished Lecture Series

On October 19, 2006, the Center of Excellence in Remote Sensing Education and Research (CERSER) continued the Distinguished Lecture Series with Dr. Geoffrey Fox of Indiana University as the guest speaker. Dr. Fox is the Director of Community Grids Laboratory; Pervasive Technology Laboratories at Indiana University. His presentation was titled "Implementation of a Polar Science TeraGrid Gateway for SAR and other CReSIS Data Sets."

As collaborators, The Center of Excellence in Remote Sensing Education with Dr. Linda Hayden as ECSU lead, along with The NSF Center for Remote Sensing of Ice Sheets with Dr. Prasad the collaboration has important hardware and software enable new science discoveries. This project and

Cyberinfrastructure for Remote Sensing of Ice Sheets

The Association of Computer/Information Sciences and Engineering Departments at Minority Institutions (ADMI) is joining the National Science Foundation and Center for Remote Sensing of Ice Sheets (CReSIS) in the Cyberinfrastructure for Remote Sensing of Ice Sheets project being led by Principal Investigator Dr. Linda Hayden at Elizabeth City State University.
